

## Newsletter 7 – Tuesday 26<sup>th</sup> February 2019

Dear Parents & Carers,

Hope you all had a lovely half term enjoying the lovely sunshine. It has been great welcoming all the children back. They have all come in with smiling faces and exciting stories to tell.

I love this time of year with seeing most of the children in the Nursery enjoying our wonderful outside space. It lovely to see them investigating areas new to them. I saw a group today looking at worms and seeing where they were going. They showed their caring side, as they were concerned whether the worm should be in the sunshine!

Just a few photos from the children's learning adventures!

### Termly reminders –

**Dogs!** - It is recognised that dogs are an important part of family life for many in the Nursery community, and as such are often included in day-to-day activities such as walking children to and from school. However, others may find the presence of dogs in the Nursery grounds stressful, even frightening particularly with younger children, and even well-behaved dogs can behave unpredictably when placed in a busy, noisy and crowded environment. Please can I remind you that dogs should not be brought on to the Nursery grounds, this is for the safety of the dog, as well as for the benefit of others.
